

FOR IMMEDIATE RELEASE

employeescreenIQ does it again

For the Third Consecutive Year, Background Screening Firm Breaks Top 15 of Northeast Ohio's 100 Fastest Growing Organizations

Cleveland- December 5, 2007 – Cleveland, Ohio-based employeescreenIQ was recently named a 2007 Weatherhead 100 Award Winner as one of the 100 fastest growing companies in Northeast Ohio. At the Weatherhead 100 Awards Dinner on December 4, 2007, local Cleveland TV personality Lee Jordan announced the rankings of the 100 companies receiving this prestigious award. **employeescreenIQ was proud to be honored as the fourteenth fastest growing company in Northeast Ohio, making this the third consecutive year it ranked in the top 15.**

employeescreenIQ president and chief operating officer Jason B. Morris said, "We are once again honored to achieve this distinction. This recognition validates the vision that founded employeescreenIQ: Comprehensive risk management and outstanding customer service can both be achieved in delivering accurate, timely and reliable information at a competitive price."

Since 1987, the Weatherhead 100 has showcased the fastest growing companies in Northeast Ohio. Recognized organizations must demonstrate consistent growth over the previous five years. The Weatherhead 100 list is objectively determined annually and highly regarded throughout the region. It is branded as a testament to hard work, commitment, innovation, and the dream to succeed.

Nick Fishman, chief marketing officer added, "This honor not only belongs to employeescreenIQ, but to our valued clients who have entrusted us to serve them since our inception. Every employeescreenIQ employee shares the credit for and takes pride in the Weatherhead 100 Award and we will continue striving to set new standards in delivering value to our clients in the future."
