**Fee disclosure — please note:** There are various fees charged to EmployeeScreenIQ for access to different types of information. These fees are passed along to our clients at our cost when incurred. Any fee added to a search is the direct cost of information as incurred by EmployeeScreenIQ. Examples:

**County Court Access Fees** — less than 15% of approximately 10,000 court jurisdictions across the country charge an access fee, typically \$5.00 - \$15.00. See Court Access Fee List below.

**New York Office of Court Administration** — approximately 16 counties in New York participate in the OCA program, which denies direct access to individual county criminal history records. Criminal history records in these counties are only accessible through the OCA, which charges \$65.00 for a “statewide” search (fee will only be incurred once for each unique name searched, as it covers all OCA counties; fee will be billed for each alias name searched).

New York counties accessible only through the OCA are:

Allegany	Bronx	Cayuga	Chemung	Cortland	Delaware	Fulton	Hamilton
Kings	Montgomery	Nassau	New York	Orleans	Putnam	Queens	Richmond

**State MVR Fees** — all states charge a Motor Vehicle Record research fee ranging from \$2.00 (CA) to \$27.50 (OK)

**Automated Employment/Education Verification Systems** — some employers and educational institutions outsource verifications to 3<sup>rd</sup> party providers, which typically charge \$5.00 - \$12.00

**Please note that all access fees are subject to change.**
