

State of Ohio List of Permissible Purposes for FBI Electronic Fingerprint Check

Please note that FBI checks may only be conducted for employment purposes according to state of Ohio regulations. If the FBI check is required for any other reason, prints must be completed on an FBI fingerprint card. The Ohio Attorney General's Office Bureau of Criminal Identification and Investigation will evaluate the request to determine if there is an adequate justification to accept the rolled fingerprint card. **Subject will still be charged for the print regardless of the FBI's decision.**
